Lifestyle Rooms

Furnished in distinctively Thai décor, our guest rooms and private villas offer a wide choice of styles to meet the needs of today's savvy traveller.

■ Rooms with a View

All guest rooms in the Crowne Tower have private balconies, with views of blossoming gardens or breathtaking vistas of the Andaman Sea. Even the bathroom has a view! Designed with comfort in mind, all rooms feature individually controlled air-conditioning, high-speed Internet access, IDD telephones and voice mail, in-room safe, hair dryers, signature toiletries, mini-bar, and tea and coffee facilities.

■ Private Villas

Offering that rare combination of both spaciousness and privacy, our detached luxury villas provide seclusion and indulgent comfort within lush tropical gardens. With private garden view terraces, separate deep-soaking tubs and shower stalls, outdoor rain showers, and a large day bed, each villa is pamper perfect. Pool Villas and waterfront Lagoon Villas feature private plunge pools.

Where to Eat

You will delight in the variety of dinning venues that offer something for everyone. Enjoy memorable theme dinners, sample local food true to the flavours of Thai cuisine, feast by the beach on a delectable international spread, or have a few rinks at great chill out spots. But if you wish to retreat to the privacy of your room, there is always 24-hour in-room dining.

■ Pacifica

This all day dining restaurant serves sumptuous buffet breakfasts, a la carte lunches and theme dinners. Our chefs also whip up a la carte options for all meal periods. You will be tempted to linger on the breezy outdoor terraces, with their views of charming tropical gardens and sparkling pools.

■ Kinnaree Bar

At Kinnaree Bar, it's all about the vibe. Set on a three level terrace overlooking the pool Kinnaree commands attention as the hotel lobby's central feature. Four huge 'bird cages' define the bar; with plush cushioned couches inside providing intimate semi-private areas to lounge and socialise.

■ Spices

A must try, Spices is an open-air beachfront restaurant and bar that is simply stunning. Savour an exciting line-up of four distinct culinary experiences, all under one roof. From mouth-watering wood-fired pizzas, authentic local and Asian dishes, and innovative Mediterranean cuisine, to scrumptious sandwiches and desserts at our deli counter. This split-level meeting point is also the perfect spot to unwind over drinks. In the evenings, live music and magical sunsets make the night complete.
